I'll tell you one thing, if things keep going the way they are, it's going to be impossible to buy a week's groceries for \$10.00.

Have you seen the new cars
coming out next year? It won't be long before \$2,000.00 will only buy a used o

the car in the garage.

I read the other day where some

scientist thinks it's possible to put a man on the moon by the end of the century. They even have some fellows they call astronauts preparing for it down in Texas .

Did you see where some baseball

player just signed a contract for \$50,000 a year just to play ball? It wouldn't surprise me if someday they'll be making more than the President.

all our kitchen appliances would be electric. They're even making electric typewriters now.

It won't be long before young
couples are going to have to hire someone to watch their kids so they can both work.

I'm afraid the Volkswagen car
is going to open the door to a whole lot of foreign business.

The fast food restaurant is
convenient for a quick meal, but I seriously doubt they will ever catch on.

There is no sense going on short
trips anymore for a weekend. It costs nearly \$2.00 a night to stay in a hotel.

No one can afford to be sick

If they think I'll pay 30 cents for a haircut, forget it.

Know any friends who would get a kick out of these, pass this on!
